

The materials on this website contain the data and related files to replicate the results from *Finding Pathways: Mixed-method research for studying causal mechanisms* by Nicholas Weller and Jeb Barnes, which was published by Cambridge University Press in 2014.

Additional materials can be found at [dornsife.usc.edu/weller/pathways](https://dornsife.usc.edu/weller/pathways) and at the Qualitative Data Repository (<https://qdr.syr.edu/>)

If there are any questions about the files on this site please contact Nick Weller at [nweller@usc.edu](mailto:nweller@usc.edu)
